CHRISTMAS WISH SHOEBOX

The Christmas Shoebox has been a tremendous success over the years. Thank you so much for your response. These shoe boxes have become tradition, and everyone looks forward to them. The idea is to fill a shoebox with all/some of the items below, wrap it and mark it for a man, woman, teenage boy or teenage girl.

May we suggest you give "new" items and not hotel soaps, etc. The shoebox may be the only gift the person receives for Christmas. If it is not possible for you to prepare a complete box, but one that only has a few items in it, just bring whatever you can and we will complete the box here. We want to make the gift as nice as possible. Please do not wrap an incomplete box. Thank you, and God bless you.
