Managing Rental Housing

Practical Information for Operating Rental Housing in Pacifica

CALIFORNIA APARTMENT ASSOCIATION PRESENTS

Managing Rental Housing

This 3-hour course will provide rental property owners, managers, and staff with a basic understanding of rental property management. You will learn topics that include:

- Your Responsibilities as a Rental Housing Provider or Operator
- Establishing Written Policies and Procedures for Local Regulations
- Development of Screening Criteria, Fair Housing, & Rental Policies
- Your Legal Obligations with Resident Communication
- Dealing with Challenging Situations
- Understanding Tenancy Adjustments

This opportunity is a MUST for the independent rental housing owner, part-time management professional, and experienced property managers alike!

The course will contain content from the California Apartment Association's premiere educational product lineup and covers a consensed, yet valuable overview of the property management training offered in CAA's California Certified Residential Manager (CCRM) series.
